### Join in the Jamboree

1. Click on the links to watch step-by-step videos and have a go at some Origami paper folding.

Here are links to different Origami things to make:

Easy: [Fortune Teller](#)

Medium: [Crane](#) (pictured)

Hard: [Hopping frog](#)

### Top Tip:

Watch the whole video before you try yourself and then replay, pausing the film after every step as you fold your own paper.

### Reflection:

People in Japan have been doing origami for many hundreds of years.

It's a traditional pastime that is said to relieve stress, though it can be difficult to master the complex designs!

### Safety Notes:

**Online Access:** Supervise young people when they're online and give them advice about staying safe.
