

# CRAFT BOX

## SCIENCE - MAGIC SNOW

This activity is for Scouts but any section or leaders could take part too !

### Scout Science Challenge

#### What you need:

- 240g Baking Soda
- 120ml Water
- LARGE Mixing Bowl
- Wooden Spoon

#### How to make it:

Christmas is coming – snow is on the way...

1. Put the baking soda in the freezer overnight so that it gives a chilly feel to the snow.
2. Put the frozen baking soda into a large bowl and slowly add the water, mixing with the spoon until a snow-like consistency is achieved.

As water is added the baking soda turns into snow !

#### Get more Crafty:

Why not have a snowball fight in the summer by making the magic snow into snow balls and have a snowball fight !

#### Safety Notes:

**Food / Allergies:** Check for allergies before you begin. Make sure you have suitable areas for storing and preparing food and avoid cross contamination of different foods. All activities must be safely managed.
